TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Monday, February 26, 2024 at 9:00AM PST. Entries will be awarded by random draw of all entries received between 9:00AM February 26, 2024 and 9:00AM February 28, 2024
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 7 days (excluding weekends and holidays) to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from Barbara Nagy patienceunlimited@yahoo.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2023-2024 membership year (8/2/23 - 7/31/24).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
Qualified entry for NW2 – Dog has earned a NW1 title and has not yet earned a NW2 title level.
Qualified entry for Elite – Dog has earned a NW3 Elite title and has not yet earned an ELT-CH title.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above. Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacsww.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the trial host.
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full. If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- **For Exhibit Only Dogs (FEO):** Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
- Host is offering spaces to 1st dog FEO teams and 2nd dog FEO teams.

If space remains after all qualified entries are accommodated on February 28, 2024 then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be

offered spaces after March 9, 2024.

The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by 9:00AM PST/March 6, 2024.

If you have a spam blocker on your email account, please configure it to allow email from patienceunlimited@yahoo.com in order to ensure delivery of confirmation and information about this trial.

You will then have 8 days (excluding weekends and holidays) to complete your payment to confirm your space in the trial. Trial payments are payable to Barbara Nagy by check.

A waiting list for alternates will be started as soon as entries fill. Alternates will be contacted when a space opens. Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

NACSW reserves the right to cancel a trial if minimum entry numbers are not met.

Be sure you read and understand the guidelines for this trial before entering. By submitting a registration for this NACSW Trial, you acknowledge that you have read, understand, and accept the policies and liability information of NACSW.

LOCATION DETAILS

ADA Site Specific Conditions

This trial location is a school. The competitor parking lot is paved. The pathways to and from the search areas are paved and dirt with some grass. The search areas may include pavement, concrete, grass, dirt, linoleum. There may be long walks to search areas. There are a few stairs leading up to one of the bathrooms.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the details below may need to be modified at the last minute.

Dog Policies

- All dogs must be on a 6' leash at all times when not searching. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the searching.

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been
